

# H.E.R.O. Club

## Hospital Employees Reaching Out

### What is the H.E.R.O. Club?

H.E.R.O. Club members are North Texas Medical Center employees and employed physicians who donate funds to the NTMC Foundation for special projects at North Texas Medical Center.

### Why does the hospital need my support?

Many of us support charities of our choosing. We often forget, however, that the very hospital in which we work is dependent upon contributions to continue its own charitable mission to our community. Patient revenue and government reimbursement no longer cover all hospital costs. It has become common for hospital foundations to raise funds to assist in meeting the needs of patients through the purchase of equipment, technology and the funding of hospital programs.

### How can I demonstrate my support to the H.E.R.O. Club?

By making a single donation or a payroll deduction of any amount. Payroll deduction gifts will continue each year and automatically support the Foundation. You may opt-out at any time. To become a H.E.R.O. and sign up for payroll deduction, please fill out and return this form to the Foundation office, located halfway between the Cafeteria and the Women's Center. Your donation may be tax deductible.
